

## **ALUMNI CALL FOR 30<sup>TH</sup> ANNIVERSARY PROJECT DESIGN SUBMISSIONS**

Federal Government College Ikom Old Students Association hereby calls on interested old students to submit designs for the College 30<sup>th</sup> Anniversary Project.

### **Project Title: The Reconstruction of the College Entrance Gate.**

Consultants should assess further details about the project including condition assessment report and drawings of the existing school gate via the link: .....

**Eligibility Requirements:** To be eligible for consideration, a tenderer should meet the following requirements:

- Must be an old student of FGC Ikom
- Must be an active alumni member
- Should have an active online presence – WhatsApp preferably.

**Required Documents:** All submissions should include the following:

1. Complete set of drawings (Plans, sections, elevations, etc) in an A4 size paper and well annotated.
2. A Bill of Quantity for the design
3. 3-Dimensional images of the design (optional)
4. A letter of recommendation from your set leader or chapter chairman confirming your active participation in the alumni.
5. Full details including your name, set, phone number, house in the college, current location and occupation.

### **Submission Process:**

All documents should be put together as a single PDF file and emailed directly to [alumni@fgcikom.com.ng](mailto:alumni@fgcikom.com.ng) with the title; 30<sup>th</sup> Anniversary Project Design Submission.

All submissions must be received on or before 12am on Thursday 14<sup>th</sup> March 2019

### **Selection Process**

- All bids would be opened by 8pm on Friday 15<sup>th</sup> March 2019 in the Anniversary Project Committee WhatsApp group.
- All tenderers would be added to the Anniversary Project Committee WhatsApp Group around 7:45pm on Friday 15<sup>th</sup> March 2019 and would be given 5 mins each to provide a quick summary about why their design should be considered.
- The Project Committee members would thereafter appraise the submissions and select the best three designs and present to NAEC for consideration.
- NAEC will meet on Saturday 17<sup>th</sup> March 2019 to select the best of the three designs.

### **Renumeration**

While we expect these submissions to be voluntary, an appreciation of 3% of the project cost would be given to the winning design and 2% of the contract sum shared equally among all other qualified bidders to appreciate all entries for their time and effort.

If there are any questions regarding this advert, kindly email the alumni secretariat on: [alumni@fgcikom.com.ng](mailto:alumni@fgcikom.com.ng) or call the Anniversary Project Coordinator on: **+2348066780373**

Signed  
**NAEC**

## PROPOSED PROJECT BRIEF

Following the Case studies and analysis of the requirements for the project, the project brief reads thus:

### **"THE RECONSTRUCTION OF THE COLLEGE ENTRANCE GATE BY FGC IKOM ALUMNI ASSOCIATION"**

The Project is aimed at upgrading the School Gate as the gate is the first impression any visitor and student has of the school, so it is important that the gate be designed and constructed to achieve the following goals:

1. The new gate structure and remodelled gate house will portray FGC Ikom's Image as an extra-ordinary and peculiar educational institution.
2. The gate house will be upgraded by renovation, and thus visually compliment the new gate structure.
3. The gate house will be upgraded to contain more hall space to allow pedestrian access for proper Check-in and Check-out documentation.
4. The new gate environment will be landscaped and have all year round evergreen flowers and plants.
5. The gate should be able to provide vehicular access for cars and trucks into the school compound.
6. A steel barricade should be included to also control traffic.
7. Building Materials to be used for finishing should be cost effective but indicative of sustainability. The materials should be able to withstand climatic and weather conditions akin to the FGC Ikom environment.
